

River Global is an international trade and marketing consulting company with presence in Sao Paulo, Bogota and Santiago. We provide our clients with all support needed to expand or establish their businesses in South America, specialized in market access, regulatory affairs, trade promotion and marketing, especially in the food industry.

The intern is responsible to develop routines in the areas of trade promotion, investment promotion, marketing and work with concrete goals and challenges. River Global Junior Program offers the opportunity to participate in meetings, attend seminars and speeches of international caliber.

The vacancy offers R\$ 1.400 per month.

Part-time job completing 30 hours per week.

Activities:

The intern will be involved in all USDEC activities, such as:

- Market research
- Reports
- Regulatory Affairs and market access
- Trade Shows
- Trade Missions
- Trade Leads
- Seminar and events in general.

Training

The first month of the program is taken up by training. During this period, the intern will learn about the company and its services; receive lectures from Account Managers and learn more about regulatory affairs, marketing, sales techniques, cross cultural negotiations, business match-making, office routine operations and communication.
