

Ph.D. PROGRAM in BIOENERGY in the State of São Paulo, Brazil

Applications open from
AUGUST 1 until SEPTEMBER 30, 2014

For candidates starting in March, 2015
Guidelines and further information available at:

http://genfis40.esalq.usp.br/pg_bio/

- **The Ph.D. program in Bioenergy** is offered jointly by the University of São Paulo (USP), the University of Campinas (Unicamp) and the University of the State of São Paulo (Unesp), ranked among the best universities in Latin America.
- **The Ph.D. program in Bioenergy** aims at generating knowledge and building human resources at high levels, with international excellence in all areas within Bioenergy;
- A substantial part of the courses will be taught **in English**, using a videoconferencing system, in order to facilitate the participation of foreign candidates.
